Of SPRING HILL COLLEGE  
MOBILE, ALABAMA

Left: That incomparable comedian and master of ceremonies, star of screen, radio, stage, and countless appearances, BOB HOPE!

And that enchanting colleen, fast-rising screen beauty, glamorous singer ERIN O'BRIEN!

With HUGH O'BRIAN, whose Buntline Special tames all villains on TV's "Wyatt Earp" show!

## WE GRATEFULLY DEDICATE

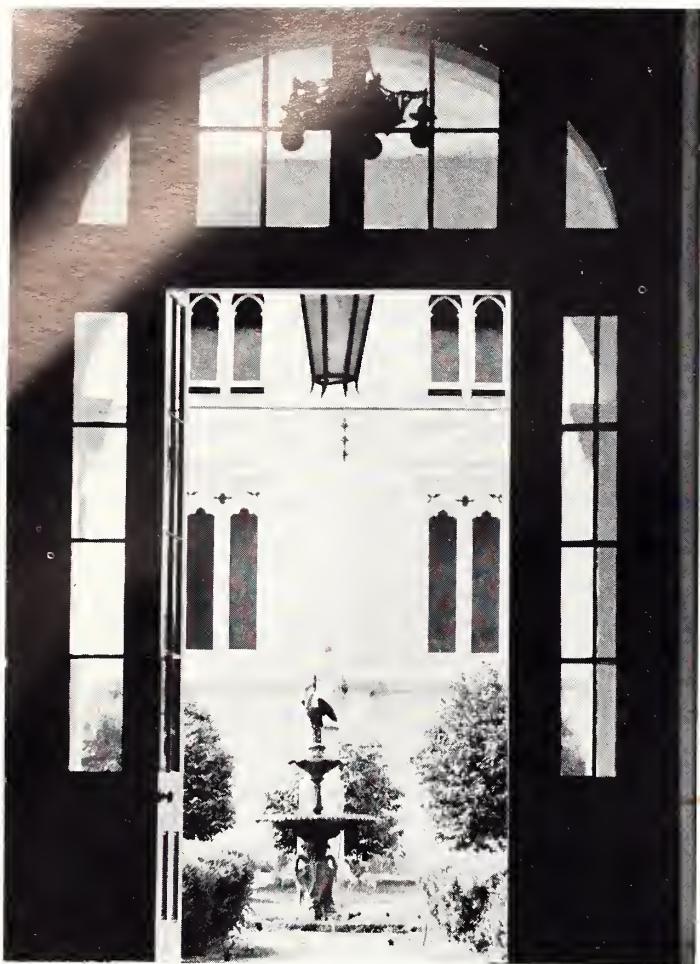

With the generous cooperation of Mr. Bill Smith of 20th Century Fox, Father Foley headed an all-out effort to bring Bob Hope and a galaxy of other famed entertainers to Mobile for a benefit performance at Ladd Stadium the night of Saturday, November 15. Staged to aid the College's Expansion Drive, his show wowed an audience of many thousands who braved threatening weather. With Mary Markham and Goody Leviton running the show behind the scenes, Hope took over out front. He introduced and acted out skits with Ann B. Davis ("Schultsie" of the Bob Cummings Show) and TV's gorgeous Joan Shawlee. With Hugh O'Brian he dueled as "Snake-Nosed Hope." Interspersed were the antics of sad-faced Emmett Kelly, songs by Molly Bee (of Tennessee Ernie's TV show) and sultry-voiced Erin O'Brien. Hope joked with Jerry Colonna, whose "Swinging Kings" woke up the whole city. Gary Crosby traded insults with Hope and sang two blues numbers.

# ADMINISTRATION and FACULTY

Reverend Father President, Andrew C. Smith, S.J.

The Bob Hope Benefit Show demonstrated a welcome fact: Spring Hill College can count on an amazing amount of cooperation from its friends, student body, and faculty. In addition to those names already mentioned on our Dedication pages, we could have singled out a host of others who made the Show possible: the Junior Chamber of Commerce and its volunteer workers; Mobile businessmen; City and County officials and police, etc., etc. But on this page we want to mention especially our student organizations and faculty: Mr. Feldhaus and his poster artists; the ROTC and its cadets; Father Lynette and staff. And again more "et ceteras." All were welded together by Father Foley with the permission and cooperation of Father Bergen, Father Rivet, and Father President.

All of this dedicated purpose was but a sample and demonstration of the underlying harmony which exists among Spring Hillians—even though it might not seem so obvious in the day-to-day give and take of faculty-administration-student-alumni relations.

This past long year is still a bit out of focus because of its proximity, but we are confident that in the years to come we will look back on it as a giant step forward into the brighter future we wish for our beloved College.

## 2 New Science Buildings

Faculty and friends gathered on the Avenue of Oaks May 25 to celebrate the dedication of two first fruits of the Hill's Building Program Drive. Leaders of the Drive, and science faculty members were honored by appropriate speeches. And (insert) Dr. Arthur E. Lilley of Yale University enthralled auditors by his lecture on Radio Astronomy. He pointed out the necessity of co-operation among scientists, humorously suggesting that our chemistry and physics faculties share one another's air-conditioned facilities for congenial get-togethers.

# Jesuit Lay Brothers

Unobtrusively, the Jesuit Lay Brothers assigned by obedience to Spring Hill College go about their tasks with silent concern for the welfare of faculty and students, demonstrating by their lives the power that devotion to God can accomplish. The photo above, of course, is of the Sacred Heart as reigning over their hearts and those of all Spring Hillians, from its place of honor in the College Chapel.

# Off on the Right Foot . . .

Freshmen and new students reported at the Hill September 14 for tests and orientation. Old hands joined them for registration a few days later, and the Registrar reported that the overall enrollment in all divisions was 1,149. The traditional rains made their appearance, but things went along smoothly—largely through the great work of Student Government's Orientation Committee members. Zealous extra-curriculars enthusiasts made their first moves to get organized for a big new year. The faculty slaved through registration and burned the midnight oil to prepare for their opening classes. Coach Gardiner shepherded his hot prospects along the ropes. And Father Rivet lost a bit more of his remaining hair in efforts to satisfy all demands for satisfactory rooms and congenial room mates.

As usual, even the Faculty found it difficult to get caps and gowns adjusted properly, but the Procession finally was formed and headed for the Chapel in bright sunlight. Father Tom Cronin was Celebrant for the Mass. Monsignor Merlin F. Kearney, pastor of Immaculate Conception Church, Memphis, preached the sermon — which was punctuated by a certain photographer's dropping metal objects on the marble floor.

Thirty new graduates were honored during Commencement Services beginning at 8 p.m. July 24. Father Claude J. Stallworth, S.J., S.H.C. ## Summer in Europe

Mr. Sam Betty escorted another group of students to Europe this summer, this time for accredited studies at Lausanne, Switzerland. No details or photos of their experiences were available at our publication time, but we here present pictures taken by the 1958 group. Their enthusiasm sparked this year's group of student-tourists.

Veteran hold-overs sparked Student Government efforts to start the year off with a bang. But certainly the loudest noise was reserved for during the basketball season, prior to one of those after-the-game dances sponsored by Student Government: seems that someone dropped the College Inn piano off his truck while transporting it to the armory. Another piano was requisitioned, and the dancer was a big success—like all other Student Government-sponsored affairs this past year. Hard work by the various committees paid off in better cooperation among student organizations.

# In Memoriam

# PIUS XII

Spring Hill joined October 16 in the worldwide mourning for the death of Pope Pius XII, who had passed to his reward October 9, 1958, after almost 20 years of labor in the Holy See. A former Papal Secretary of State, Pope Pius worked tirelessly to keep the Church strong and her people faithful through war, religious persecutions, and aggressions. World War II broke out only five months after his coronation, but even greater troubles arose for the Church after that war ended, as Communists attacked the Church's leaders in countries occupied by the Reds.

In 1949, Pius XII issued his decree of excommunication for all who willfully embraced Communism. But perhaps he will be best remembered for changes in the liturgy and regulations; fasting rules for Communion were revised, evening Masses were authorized, use of the vernacular was permitted during administration of the Sacraments, the Holy Week liturgy was changed, etc.

In 1950, he proclaimed that Mary's Assumption into Heaven is a dogma of Faith—the first such definition since 1870.

*Left: Pius XII, photographed shortly before his death, blessed a crowd of visitors who had come to Castel Gandolfo, his summer residence. A Spring Hillian was among these, and took this picture of the 262nd Supreme Pontiff. Below: Father Foley preached the Requiem sermon.*

## Mid - Year RETREATS

After a grueling two weeks of final exams, Spring Hill's Catholic students made their annual retreats. Senior men drove over to Xavier Hall to Pass Christian, Miss., for a closed retreat Jan. 27-29. Senior coeds also made a closed retreat—at Mobile's Visitation Convent, where their director was Father August Coyle, S.J. Day students (men) and boarders made their retreats separately, with Father John Schroeder, S.J. (day) and Father Martin V. Jarreau, S.J. (boarders) as retreat-masters. The "open" retreat for coeds was conducted by Father Moody in the Chapel at Providence Hospital, Mobile.

In preliminary balloting January 8, sixteen Hill coeds were selected as "Finalists," eligible for the final campus-wide balloting February 2. Winners were announced and presented during half-time ceremonies of the Hill-Loyola basketball game at McGill's Portier Center February 5. "Big Men on Campus" escorted Miss Torch and each Favorite as their names were called out and they promenaded to their places. In addition to those pictured here, other Finalists were Mary Ann Bolton, Angela Mikill, Cindy Anderson, Fairy Carter, Patricia Elder, Barbara Mikill, and Cynthia Schumacher.

Above are our 1959 "Miss TORCH" and her Court of FAVORITES. Rear: Birmingham sophomore Carol Ann O'DONOHUE; Lynn CAVANAUGH, Chicago junior; Anne McDONALD, Mobile freshman; Diane ZINN, Fort Lauderdale, Fla., freshman; and Joy SERDA, Mobile sophomore.

Our thanks and congratulations to all the lovely coeds who helped make this an OCCASION.

Spring Hill's Alpha Lambda chapter of Phi Kappa, national Catholic fraternity, traces its origins to the former "Sigma Alpha Kappa" fraternity, which four years ago was integrated with Phi Kappa. This year, the group's history saw another milestone: Phi Kappa merged with Theta Kappa Phi, this country's other national Catholic fraternity. Hence a new national fraternity, Phi Kappa Theta, which combines Theta Kappa Phi's 26 chapters with Phi Kappa's 35 units.

Campus activities of Phi Kappa Theta this year included institution of the "Father William O'Leary Activity Award," and presentation of Best Pledge and Outstanding Senior awards to Bob Sullivan and Jim McMahon, respectively.

Stephanie Zieman was Phi Kappa's 1958-'59 Sweetheart. Sister and Sponsor were Rose Vella and Mary Liz Jongbloed, respectively.

Phi Omega had a year of gala parties penciled in on its calendar. The first encircled date was Sept. 28, the last, May 19. In between, members enjoyed a variety of affairs such as the Oct. 10 Shipwreck party, informal and formal rush parties, the Dec. 12 Christmas party at Skyline Country Club, and a formal initiation dinner-party at Bayley's March 15, when 23 pledges were accepted into the fraternity.

There was also the beach party at Gulf Shores April 19, and Phi Omega's final party of the year May 14 at Korbet's.

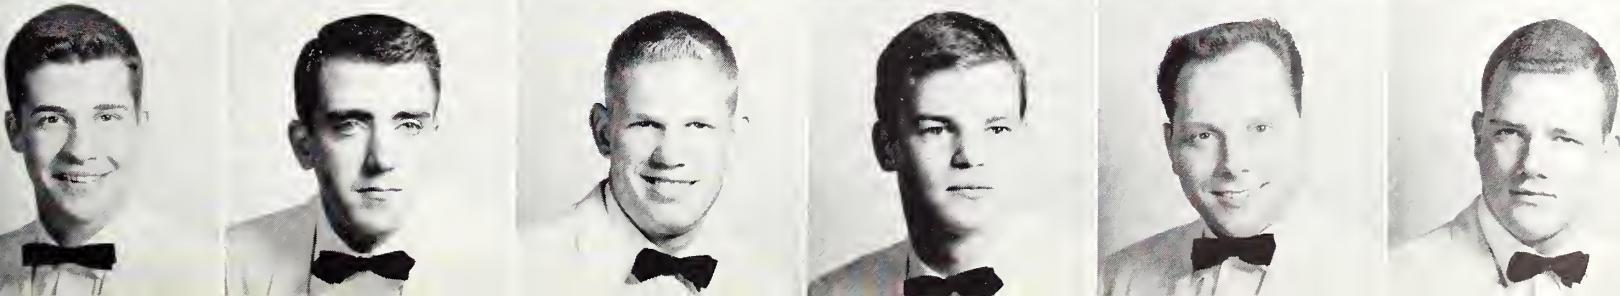

For contributing the highest average per member in last year's Ceylon Mission Drive, Phi Omega won the Peter C. Beach Trophy for 1958.

1958-'59 Sweetheart was Lynn Cavanaugh, Sister and Sponsor were Madeline Moffett and Mary Ellen Greenroad, respectively.

# Chi Rho . . .

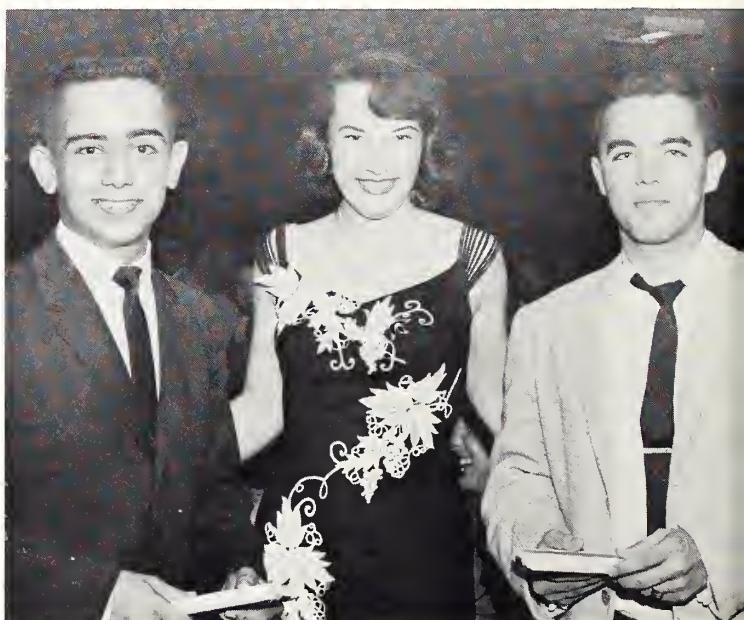

The only sorority at Spring Hill, Chi Rho continued this past year as one of the most rapidly developing groups on campus. The 26 new members accepted this year were the first to experience an initiation ceremony. Another innovation, the Oct. 16 Fashion Show, drew a full house which even included a sprinkling of campus males.

In November, the Chi Rho girls raffled off various goods for the United Fund, and December 6 saw the annual Angel Dance shift to the Sage Avenue Armory. The "Backwards Party" April 4 was such a success that the coeds decided to make it an annual affair.

Dinner-dancing at Bayley's April 18 brought Chi Rho's social season to an end, with the usual presentation of novelty awards. Johnny Brennan and Louie Courie were introduced as Chi Rho's new Brothers, succeeding Charlie Boyle and Marty O'Donnell. Jack Gleeson was unveiled as "Biggest Lady-Killer," Mary Williams as "Biggest Floater," Jack Houlahan (for 2nd year) as unreeling the "Biggest Line," etc. Mr. and Mrs. Sam Betty, along with Buzzy Hayden and Julie Matanock, were proclaimed as "Cutest Couples."

# "OPEN HOUSE"

Only seven years ago, Spring Hill finally accepted full-time coed students, but there was no accommodation for them. They found approved rooms with families off campus, sometimes miles away. This year, the College bought two large and nearby homes and began adapting them as coed residences. Finally the gals moved in, and they celebrated with a gala open house March 1, to show off their new homes.

# Latin - American and International Relations Clubs

With innumerable meetings and parties, the Latin-Americans were probably the liveliest and friendliest campus group. Year's highlights: discovering Andy's Place on Broad Street near Government, and viewing "home" movies, supplied by Otto Vinas, of actual fighting during Castro's Cuban Revolution.

Above: Latin-American Club Vice-President Armando Ramos, Moderator Doctor Miranda, Secretary Christy Del Carmen, and President Marcelino Oliva.

Above: International Relations Club President Harold Kay, Vice-President Tim Murray, Secretary Eleanor Patterson, Moderator Mr. Sweetster.

The International Relations Club sponsored regular lectures and discussions on a broad front. Special interest attached to several of the meetings because their speakers had first-hand information: Emmanuel Ishaq, freshman from Baghdad, acquainted members and guests with the customs and present difficult situation in Iraq; and campus Cuban students led a meeting which discussed the Cuban Revolution.

In addition, a number of movies were shown, such as the ones on the Rise and Fall of Mussolini, the Spanish Civil War, and the Hungarian Revolution. And campus students from Panama led a discussion on the background and problems of Central America.

# ... And We Were STUDENTS

## ... And Some of Us Made "WHO'S WHO"

Faculty and Student Committees collaborated to pick 19 Hill seniors for inclusion in the 1958-59 edition of WHO'S WHO in AMERICAN COLLEGES and UNIVERSITIES. Honored were Charlie BOYLE, Brooklyn, N. Y., English major; Bob BURLEIGH, Baton Rouge, English major; Andy CLARKE, Milwaukee, also an English major; Marion DONGIEUX, Yazoo City, Miss., Physics.

Also R. William DUNNE, Richmond, Va., another English major; John GRANT, Pascagoula, Miss., also an English major; Claire JOHNSON, Mobile, Mathematics; Charlie LIVAUDAIS, History major from New Orleans; James McMAHON, Newark, N. J., Sociology; William

McGOWAN, Mobile, Physics; Madeline MOFFETT, New Orleans, English; Marty O'DONNELL, Dallas, Philosophy; James PALERMO, Tampa, Political Science major.

And Joe PHELAN, Chicago, Business Administration; Jack RUBIN, Brooklyn, English major; John SCHARFENBERG, Columbus, Ga., Biology; Charles THOMAN, Coeea Beach, Fla., Biology; Mary Williams, Mobile, English; Orin WOOD, Mobile, Accounting.

To list all the activities and other honors of these Campus Wheels would tax the pages of more prosperous yearbooks than this.

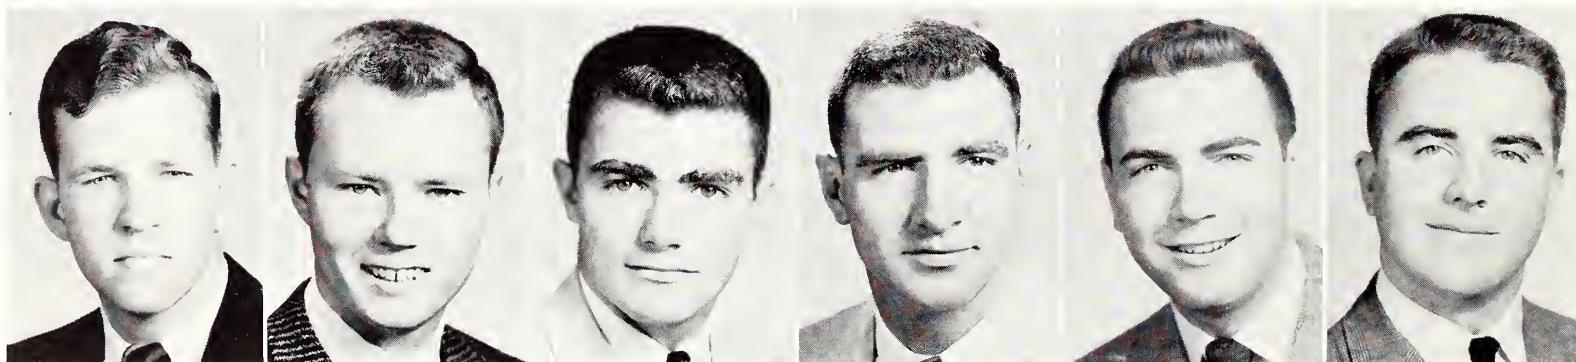

# ALPHA SIGMA NU

Members of Alpha Sigma Nu, national fraternity for men students in Jesuit Colleges and Universities, are selected for academic excellence and participation in campus activities. A.S.N. is strictly a service organization. This year, members continued the project begun last year of obtaining and making available information about post-graduate study opportunities. John Grant attended the fraternity's national convention last September, and members held their initiation banquet this year at the home of Mr. Sam Betty.

# LAMBDA TAU

Beginning with a get-acquainted party Oct. 4 at the home of Mrs. Morris, campus med-techs continued with their typical program of guest lecturers and visits to local hospitals. And to local high schools, to spread the message of "Study to be a Med-Tech!"

Members went "all out" in helping to make the February 22 Science Day a success, acting as guides and registrants, as well as preparing their own exhibits. At their annual banquet, Dr. Margaret Batson of the University of Mississippi was guest speaker.

# BETA BETA BETA

Surviving an impressive series of special lectures, Tri-Beta members celebrated with their annual fishing trip, April 25, and were guests at Dr. Muscat's annual barbecue, May 3. On tour, they visited medical schools in New Orleans and watched an operation at Charity Hospital there.

## Student Affiliates American Chemical Society

The Hill's student chemists began their big year with a Gulf Shores party October 11 to welcome new members. Dr. Harry H. Sisler, from the University of Florida, was their guest lecturer for a three-day series of talks and discussions November 10-12. Another beach party hit the surf April 18, and the year's formal activities ended with the annual banquet May 2 at the Battle House. Guest speaker was Dr. John F. Christman from L.S.U.

Members' activities included scheduling of an address on radio-astronomy Oct. 24 by Doctor Whitehurst of the University of Alabama. Other special lecturers were Doctor Cohen on "Theoretical Physics" and Oak Ridge's Doctor Cope on "Research in Nuclear Physics." Campus physicists visited the labs of Courtaulds, Ltd., in March. Bill McGowan, Cliff Alexander and Dick Sweet held the top offices in 1958-60, with Frank McCormack, Cliff Alexander and Neff Weber elected for 1959-60.

## SCIENCE FAIR

The Hill campus was again host to the Mobile Regional Science Fair, March 19-21. Three hundred high school students entered their exhibits, competing for 27 awards. Father Twellmeyer, head of the Mobile Fair, was named this year as Co-ordinator for the various state Science Fairs and attended the National Convention and Exhibition.

Among our campus spellbinders' activities this year were the following: attending the debate conference at the University of Alabama November 5-7; debates with Pensacola Junior College in Byrne Library; debating exhibitions at Bishop Toolen High School December 1; sponsoring of panel discussions on Negro voting rights, in the College Inn February 2; participation in speech tournaments at Mississippi State College, Tulane University, and the University of Florida.

Also, sponsorship of a series of lectures on World affairs and the annual Walsh Oratorical Contest, May 4; beach party at Gulf Shores April 12, and dinner at the Skyline Country Club May 14.

As usual, the year's principal activity was sponsorship of and participation in the Azalea Debate Tournament, which this year was held at the College February 6-7 and attracted teams from Florida State, Loyola of New Orleans, Howard College, Milsaps, Notre Dame University, Morehouse, Pensacola Junior College, and Alabama State College.

Notre Dame again won the tourney, copping 11 of their 12 debates. Howard College debaters placed second. Visiting debate coaches and Hill faculty served as debate judges; Portier members and other students acted as time-keepers.

Fifteen Merit  
Scholarships for  
SCAT Scores

Fifteen Mobile high school students have been awarded Anniversary Scholarships. The scholarships were awarded on the basis of the students' scores on the School and College Ability Tests (SCAT) given recently on the campus.

The winners are: Robert W. Forbes, Jr., Anthony Kall, William B. Sims, Marion Daw,

A graduate of Georgetown University Bill lettered for two years in basketball and football, until in spring practice of his sophomore year he received a knee injury which prevented him from playing the following year. As a senior, however, he entered the professional ranks and played baseball with a Washington team in the Dixie pro league.

The coach came to Spring Hill in March 1946, soon after being discharged from the Army. He had served as an infantry captain in Europe during World

# your 1959 "TORCH"

Again we hope that this issue makes our Sept. 15 deadline and meets your discriminating approval.

Editors Jim Palermo, Mike McDermott and George Warren worked with Father Anderson (Moderator) on page organization. Kathy Shrout contributed some of our finest student and faculty snaps. Kathy Plant labored the year and summer long as editorial assistant, and George Bassett rounded up all of our advertisements.

# Yenni PLAYERS

"Waiting for Lefty," a dramatic reading presented October 23 for the benefit of the United Fund, officially opened the Yenni Players' 1958-59 dramatic season. Again in November the Players stepped out to the footlights, presenting a twin bill; Gerhardt Hauptmann's "Aseension of Hannele" and W. B. Yeat's "Cathleen ni Houlihan."

Yenni's major production, Patrick Hamilton's *ANGEL STREET*, went on the boards in March—which month also saw publication of Mr. Fleissner's article on poetic drama at Spring Hill. It appeared in the March issue of *CATHOLIC THEATER*, national periodical of the National Catholic Theatrical Council.

Five Yenni members were formally initiated December 23 into the Hill's Alpha Epsilon chapter of Alpha Psi Omega, national honorary dramatics fraternity. They were Madeline Moffett, James Lewis, Mary Williams, Sidney C. Smith, and Ann Crabtree.

Claude Barbazon and Tom Crane served as president of Yenni. Mr. Robert Fleissner was Moderator of the Players, and was made an honorary member of Alpha Psi Omega.

Below: Mrs. Dolly Deroux-Dauphin gave a demonstration of makeup principles to Yenni members and others, November 2 in Stewartfield.

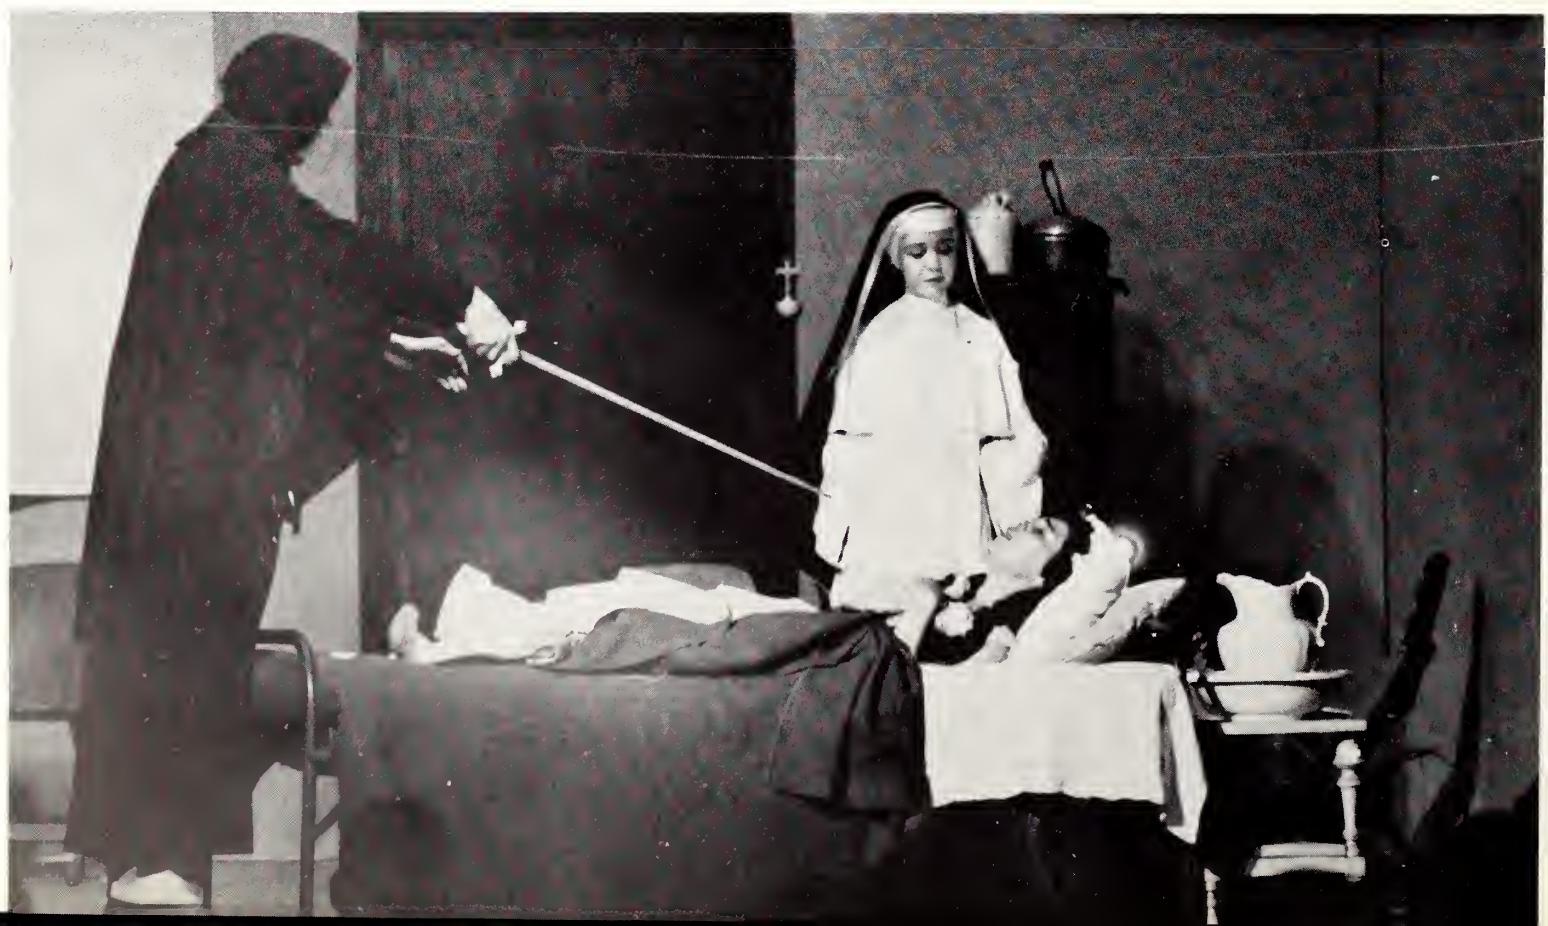

"The Ascension of Hannele," a two-act poetic drama adapted from the German of Gerhardt Hauptmann, was Yenni's first major production of the year. It is a modern morality play, and gave us the opportunity to compare it with *EVERYMAN*, presented two years ago by Yenni. Madeline Moffett played Hannele, a poor girl driven to death by her dissolute father. She is befriended by townspeople, especially the school teacher (Manfred Hummel), who symbolizes Christ, Who welcomes Hannele after her death.

As their final performance, Yenni Players offered a three-night stand of *ANGEL STREET*, the British detective-thriller which appeared in films as *GAS-LIGHT*. Manfred Hummel played the role of Rough, the Scotland Yard Inspector who solved the mystery of why a husband (Dave Mouton) wanted to drive his wife (Sara Spotswood) out of her mind. Sid Smith stage-managed the show, with John Hruby as house-manager. Costumes: Ann Crabtree. Lighting: Don Ernest and Jim Thweatt. Set by Tom Crane, Dick Puseh, Dick Yerger, Neil Baudin, Bill Golder, Ron Symonds, Bill Gustafson, Mark Will, Bill Nailen, *et alii*.

Below: Mouton as husband displays his affection for wife Bella; in the end, of course, London Bobbies (Higgins and Golder) take him in tow.

# Saying It with MUSIC

The musical year started auspiciously with additions to the staff of instructors in music at the Hill, and a renovated Stewartfield hummed with more sounds of practicing vocalists and instrumentalists. Hill singers helped with two off-campus productions: the Mobile Opera's *DON PASQUALE* March 17-18, and the Opera Guild Workshop's operetta *THE MERRY WIDOW* December 4.

## The Spring Musical

# "BRIGADOON"

Lerner and Loeb's Broadway stage triumph, **BRIGADOON**, occupied the feverish attention of Hill singers and musicians this spring. Love triumphed again over time and space, as Dan Leach ("Tommy Albright") won admittance into the charmed future of *Brigadoon* through his love for "Fiona MacLAREN" (Sudie).

Also cast: John Schulte as Jeff Douglas; Dick McCarthy as Archie Beaton; Louis Courie as Angus MacGuffie; Denny Webb as Stuart Dalrymple; Bill Nailen as Sandy Dean; Mary Williams as Meg Brockie; Phil Gamble as Harry Beaton; Lou Myers as Andrew MacLean; Madeline Moffett as Jean MacLaren; Billy Heath as Charlie Dalrymple; Julie Mayfield as Kate; John McNamara as Mr. Lundie, the school teacher; Steve Dugan as the bartender in New York; and Cindy Anderson as Tommy Albright's fiancee.

Mrs. King Benton won all hearts by her work as stage director, with Madame Rose coaching the principals, and Father Walsh and Mr. Peter Carnahan (of the Joe Jefferson Players) assisting by dramatic coaching during rehearsals.

# Badger SPORTS

Aggressive teamwork, as in above photo of Denny Malcor and Joe Phelan taken during our Senior Bowl win over touted Murray State, was a big source of whatever successes our Hill teams scored this year. Student Government went all out to bring out more spectators for all Hill sports, and they never went away without knowing that their team had done more than just put in an appearance.

The Hill five would have been truly hard pressed without "The Moose," who finally rounded into form in his junior year. As a senior, Carney held the team together on both offense and defense, hurling his 6'5" frame and 210 pounds into every melee under the baskets. Below, Big Jim looks for help against Centenary in the Senior Bowl finals here January 8.

Facing the toughest schedule of the Hill's cage history, Coach Bill Gardiner gathered his available forces in September. He had only two returning seniors (Carney and Phelan), two juniors from the previous year's squad (Irato and Gorman) and two sophomore lettermen (O'Connor and Gleeson). These veterans, as expected, started the season's opener against St. Bernard College and had won half of their eight games played before the Christmas holidays began. Then the roof fell in, with Irato and Gorman lost to the squad via scholastic difficulties. A promising crop of freshmen tried valiantly to take up the slack, but they lacked both height and experience. However, there were two bright spots for the year: we won our opener against high-ranked Murray State in the Senior Bowl Tourney before dropping a heart-breaker to Centenary; and we watched Gardiner's men disorganize a fine Loyola team, 33-30, in an unforgettable thriller.

# Senior Bowl Tourney

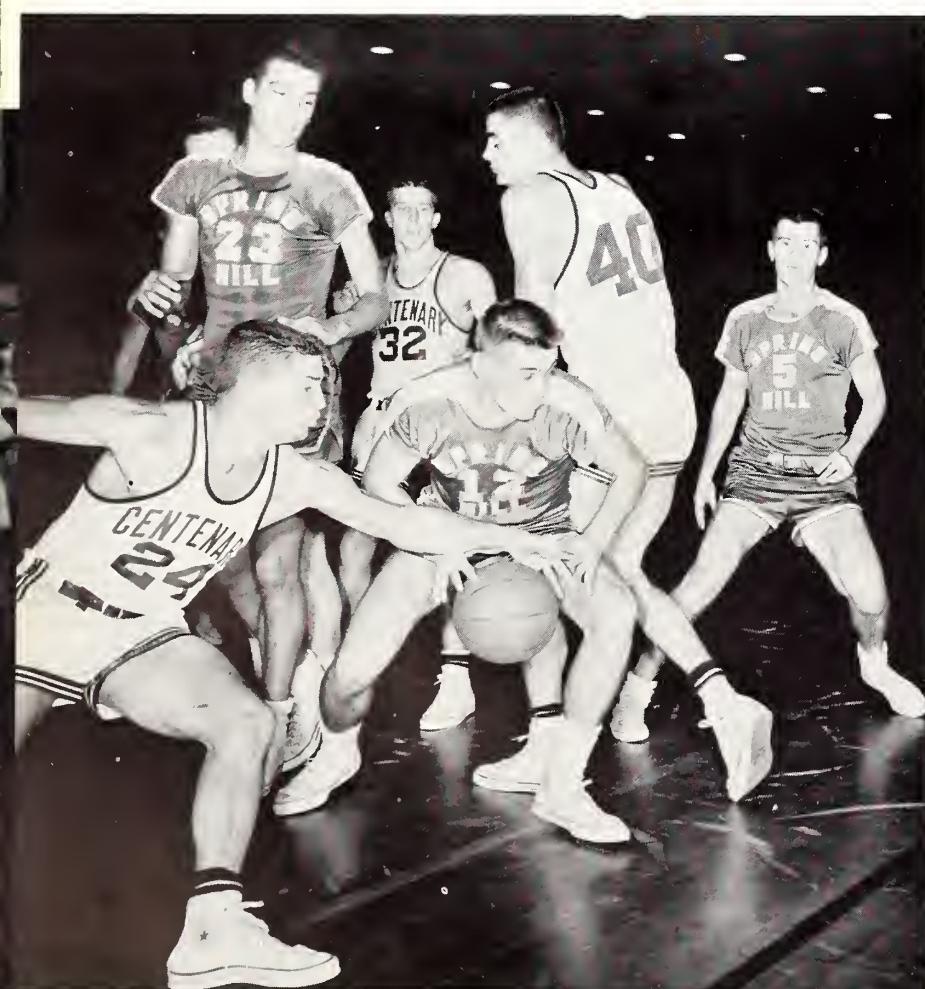

After three forgettable losses in the Centenary-sponsored Gulf South Classic tournament in Shreveport, it looked as though we were out of our class in the at-home Senior Bowl January 6-7. But Irato and O'Connor sparked us to an upset win over Murray State Teachers in the opener (70-63), and we started strong against Centenary, which had trampled famed Tennessee Tech, 87-64, in its first-round match. But Centenary's Gents proved too much for us, as our over-eager Badgers ran out of gas, fouling often in the final minutes, which saw Centenary sew things up with 12 free throws.

# Varsity BASEBALL

Building around a nucleus of senior lettermen, Coach Stan Galle whipped together a hustling squad that put on a good show in every home game for the Hill's "wall-flowers." They beat and tied Auburn, Southeastern Conference champs in '58, in the two season openers, but the mound staff proved unable to stem the tide in most of the following games. # Varsity TENNIS

To the surprise of everyone except those who have known all along that Coach Paul was an exceptionally able tennis coach, the Tennis Team swept through its season with a success unknown here since those pre-World War II days when Napolitano himself played Hill tennis. Captain Jeb Bousson wound up his four years with eleven matches won, none lost, this season. A fine frosh-soph group should return next year to run up an equally good record, if not better.

As expected, the Badger golfers swept to a successful season, losing but one team match. That was to Memphis State, there, by a 13-14 score, when Barry Moore sank a 15-footer to beat us. A similar thriller, this one bringing joy to a Hill home gallery, came when Colman McCarthy sank a 20-footer on the 18th to beat his University of Alabama opponent and swing an 11½-9½ win for the Purple and White. Barry Montgomery and Mike McDermott were pressed into service when Tommy Boone and Jim Montiegel were lost to the squad toward the season's end. In fall matches, a junior-varsity squad won one, lost one, tied one.

# INTRAMURALS

## VOLLEYBALL

The Senior "Splinters," led by Tommy Edwards and Neil Baudin, swept to championships both in their White League and in the Inter-League Tournament. Fellow team-mates were Charlie Gamble, Rick DelaGuardia, Harold Gaines, Marty O'Donnell and Marcelino Oliva. Their chief competition came in the Inter-League, where they beat the "Rangers," headed by Tommy Boone and Len Phillips, in three out of four matches. In the Freshman League, the "Crackers" piled up a 21-4 record to win. The "Tigers" (Bahlenger, Tom Clark, Golder, Hamilton, Hummel, George Imorde, Dick McCarthy, Father Miceli, Palermo and Watson) and the "Gauchos" (Ahern, M. Azar, Chico, David, Del Carmen, Leo Leonard, Marti, Ramos, Torres and Wallace) won Badger League honors.

## TOUCH FOOTBALL

Tom Brorby and Andy Clarke led their "Rangers" to championships in their Purple League and in the Inter-League Tournament; but they had their hands full against the White League champions, the senior "Splinters."

## BASKETBALL

Championship titles went to the senior "Pelicans" and the sophomore "Packers," who won Badger League and Inter-League Tournaments, respectively. The Packers made I.M. history by being the first sophomore squad to cop a tourney. Led by Dan Conlin, they included Jack Clover, Jack Smith, and Conrad Horecky, who had taken the Purple League crown with an 8-1 record. White League champs were the senior "Splinters," who were undefeated until losing Tommy Edwards and Mick Savage to baseball. Led by Dick McCarthy and Jim Montiegel, the Pelicans also were upset winners in their division.

## BOWLING

Playing this year on the Nonnemachers' new bowling lanes just off Azalea Road and Grant Street, Father Schwing's keglers headed out each Sunday morning after the 8 o'clock Mass. The "High-Balls" and "Speed-Balls" swept over all competition. Members of the championship High-Ball team were Mick Savage, Tom Edwards, Len Phillips, George Imorde and Andy Clarke. The High-Singles mark of 221 was set by Tom Edwards, with Jim Murphy setting a High-Three total of 558. Among the coed bowlers, Bev Jones rolled a high 196 game, and Barbara Weinacker rang up 465 for her High-Three mark. Highest averages among the men were nailed down by Geoff Curran, Jim Murphy, and Dick Stuardi.

## SOFTBALL

Freshmen came into their own when their "Arabs" swept to championships in the White League and Inter-League Softball Tourney, with Ritter hurling beautifully on the mound. His teammates were Ackels, Hettler, J. Wilson, Viola, A. Muscolino, Smor, Coerver, Sassone, Galvin, and Shannon. A junior team, the "Eagles," forced the Arabs into a rough play-off by dropping them in their first tilt, 4-3; but the Arabs came back to beat them 4-0 and 3-2. Dave Hirshburg pitched for the Eagles, who were also paced by Paul Jurgensen, Bunny Ros and Father Miceli.

In the Badger League, the "Tigers" were unstoppable, and took their tourney title by an 11-1 victory over the junior "Gators." The seniors were led by pitcher John Gill, the bats of John Scharfenberg and Jim Hamilton, and the fielding of George Imorde and Joe Clark.

## SAILING

Seven colleges competed in the Sugar Bowl Regatta at New Orleans Jan. 3, with the Spring Hill Crew tying Notre Dame for second place behind the University of Alabama's 21 $\frac{1}{4}$  points. Merrill True (skipper) and Madeline Moffett (crewing) took 16 points. The 2nd annual Southern Intercollegiate Sailing Regatta was held at Pass Christian, Miss., April 18-19, with eight schools participating. Bud Barrett skippered Merrill True and Joe Schildt to a tie for 2nd with Tulane in the first race, but other crews did not place.

The Badger Sailing Club, organized last year with Father Rhein as Moderator, has Bud Barrett as Commodore; Tim Murray, vice-commodore; Marilyn Johnson, secretary; Merrill True, treasurer. # Spring Hill Battalion, R.O.T.C.

As expected, the Hill's R.O.T.C. cadets rounded into shape by mid-year and won praise from visiting inspection teams. Lt. Col. James H. Reynolds (insert in Battalion photo above) headed the Regular Army cadre as P.M.S. and T., assisted by his staff detail and the cadet staff headed by Cadet Lt. Col. R. William Dunne. Besides the regular Friday afternoon drills and reviews, cadets spent two or three class or field practice hours per week, with sophomores and juniors also toiling during a Summer Camp at Fort Benning. This year also saw the dedication of a memorial to Hill alumni and faculty who have seen service in our country's wars.

## Battalion Sponsors

Certainly a distinctive feature of the Hill Battalion is the group of coeds who drill and parade with the cadets as Battalion "Sponsors." They are chosen by vote of the Battalion, after being introduced during a break in one of the early drills. This year they made another uniform change, appearing in powder-blue shirts and caps, and darker blue skirts.

# Scabbard & Blade

Selected from Advanced Course juniors and seniors, members of this national honor society for R.O.T.C. cadets are chosen on the basis of service and military aptitude. This year, Scabbard & Blade undertook to sponsor and push the campus-wide Red Cross Blood donation. In photo at left, Peg Johnson signs up with John Gill to contribute a precious pint. The R.O.T.C. Cadet Honor Council this year was formed of the following senior Scabbard & Blade members: Cadet Lt. Col. It was a most successful year for the Hill's 5th Company, Sixth Regiment, Pershing Rifles. They were named best company in the Regiment, on the basis of all-around performance in drill and for their esprit de corps. In the annual drill meet, held this year in New Orleans, the Spring Hill contestants placed second in individual basic drill, second in squad drill, and third in company fancy, which gave them second place in the drill meet. First place winner there was the Tulane company of Pershing Rifles, whom the Hill group met again May 16 in a special exhibition drill at Brookley Field on Armed Forces Day. This time Spring Hill came out on top. Together with Scabbard and Blade, Hill Pershing Rifles members contributed the funds for the new memorial dedicated November 11.

# Having a BALL

This year's ROTC Ball was held at Fort Hardeman May 1, despite wind and water, with Bill Lagman's Orchestra providing big music. ## R.O.T.C. Commencement

The Battalion continued its recent custom of having separate "Commencement" Exercises for presentation of the year's ROTC awards and to show off for visitors. Thirty-nine cadets were sworn in May 25 as 2nd Lieutenants in Uncle Sam's Army, by Colonel Joseph N. Langan, Hill alumnus and former instructor, who is a Mobile City Commissioner and nominee as Commander of Alabama's National Guard. After the awards and final review, new officers had their bars fastened on by you-know-whom.
